Mr. Ken Follett

Dear Mr. Follett:

Enclosed please find the releases Rich and I have signed. I went ahead and signed mine, but am hoping that you'll do me a favor. Rich obviously misunderstood me when I told him I did not want my "problem" mentioned in the book. I do not mind your saying that I became ill, but do object to the mention of a "feminine" problem. I don't feel that it adds anything to the story and would appreciate it very much if you would please delete it.

Thanking you in advance.

Sincerely,

Catherine E. Gallagher
