

Ms Anita Melton

7 March 1983

Dear Anita Melton,

I have a legal obligation to request releases from certain of the people mentioned in my book about Colonel Simons and EDS. Here is a copy of the release I am using. It would be helpful to me if you would sign it, although of course there is no pressure on you at all.

Thanks again for your help with the book. I hope we will meet one day.

Yours sincerely,

Ken Follett.
