K Follett Esq

17th February 1983
(dictated 16th February 1983)

Dear Ken,

On Wings of Eagles

I refer to our telephone conversation of yesterday, when we discussed my letter of the 7th February, and confirm the following, using the same numbering:-

- (i) I have re-read the reference to Henry Precht, and in my view, whilst the words on pages 75 and 76 could be interpreted as mere vulgar abuse by Gayden during a moment of understandable frustration and countered by the comments on page 82, I would still feel more comfortable if a less abusive term were used. The second paragraph on page 85, and the words "they both made mistakes, they both became somewhat hostile to EDS and" on page 87 should be deleted unless you are absolutely confident you can substantiate these factual condemnations. If these changes are made, the reference on page 175 is harmless.
- (ii) You are prepared to take the risk in relation to Brzezinski.
- (iii) You are not prepared to change the references to Sullivan and will fight him if necessary.
- (iv) We agreed the reference to Huyser can stand.
- (v) You will seek a release from Howell's wife.
- (vi) You have a tape recording of an interview at which such allegations were made which you must guard with your life. However, you must appreciate it is for you to substantiate and justify such allegations, and the fact that you can show someone else gave you the information may be useful evidence but does not amount to justification.
- (vii) You will seek a release from Coburn's wife.
- (viii) You will seek further evidence to substantiate the reference to Goelz's inflexibility.

(ix) You noted my advice but did not agree with it.

Finally, I enclose a revised draft Form of Release.

Yours,
