MEMORANDUM

Ken, *Ken,*

I have kept a copy of all of the enclosed documents, just in case this package gets lost in the mail.

There was no problem obtaining authority to release COL Simons' records to you, so long as I did not release any social security numbers to you. This explains why I have blackened these numbers where they appear next to signatures, etc.

^{do} If there is anything else I can do, you need ^A no more than ask. As I explained, I am anxious to see this effort succeed for personal and professional reasons.

Best wishes,

Charles
