

4 December meeting

Director of SSO and rev of

Meeting Director of SSO = 10 of

W/ consultants - Hayden [redacted] [redacted]

Abolhasan

[redacted] 2 others are going
 I did tell them that we could not influence
 performing if we didn't get paid. They
 had never told us why we weren't paid
 There was a note showing down of the
 quarters. On their side they kept checking
 [redacted]

as to whether they would pay us /
I kept pressing them to name somebody who was
authorized to make a commitment for the Ministry
They said name given first & I said
Abolhasan (can commit as to anything) they never named
Brygg had another meeting with a
group of them also (not said)
none were authorized to do anything

They said you don't come every day /
I said we do (I've had some of my people here
every day, well) U.S. don't always
come because of lighting in the streets.
That meeting broke up because of lighting in the
streets
At 5:50

Eisenhower Management
Conference room

7 MD 550 / You could hear the
shooting / Me said we need to leave or
we will not be able to leave. Also
none of the workers. I'd have been glad to
stay if they'd have paid me. //

John Maxwell. Previously, people did not return calls, meetings were cancelled. Someone would promise to deal with the problem, but next week he had left the Ministry. Finally Brucka called the Minister, who was new in the job (Dec), but the MIDSSO happened to be in the office. Minister gave him the phone, MIDSSO had to fix a meeting for 4 Dec.
